**J.L. Wallace Has Completed Tenant Improvement Construction  
at First Street Center**

FORT MYERS, FL. (May 15, 2014) – J.L. Wallace Inc. has completed a tenant improvement for TSN, LLC at the First Street Center in downtown Fort Myers across from the new Public Library.

Construction consisted of the renovation of existing shell space to accommodate the needs of Terry S. Nelson, Attorney. This space is a Class “A” office providing three large offices, conference & break rooms, reception and waiting area within 1,550 SF. The interior finishes consist of solid wood trim and doors, Travertine floors, and acoustical ceilings.

Ted Gadoury served as Project Manager with Robbyn Spears as Senior Project Manager Assistant and Dennis Tyeryar as Project Superintendent. Architectural design services were provided by Jason P. Tramonte Architect.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use.
