J.L. Wallace Completes Next Level Church Gateway Campus

FORT MYERS, FL. (March 28, 2014) – J.L. Wallace Inc. has completed construction of the Next Level Church Gateway Campus. This location is the first satellite location for Next Level Church and was constructed on 7.5 acres of land at 11081 Gateway Boulevard.

This location reflects the same style as the main campus of Next Level Church on Plantation Road, which was built by J.L. Wallace, Inc. in April 2011. The new facility is approximately 19,500 SF and includes an auditorium, foyer, classrooms for children and youth, and offices for their staff. The project also required total site development of 7.5 acres of land including parking lots, drive isles and landscaping.

Ted Gadoury is served as the Project Manager for J.L. Wallace, Inc. with Ted C. Gadoury serving as Project Superintendent. Architectural design services were provided by Robert L. Massengale with engineering services by David Douglas Associates, Inc.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997.
