FOR IMMEDIATE RELEASE

J.L. Wallace Completes Build-Out of Ave Maria School

FORT MYERS, FL. (Oct. 13, 2010) J.L. Wallace Inc. has completed interior construction of Phase 1 of the 2nd floor build-out of the Rhodora J. Donahue Academy in Ave Maria, FL.

Phase 1 of the project consisted of the addition of classrooms and bathrooms totaling approximately 9,160 SF on the second floor of the existing school. The work included interior metal framing and drywall, interior doors and finish hardware, insulation, acoustical ceilings, painting, ceramic tile, toilet partitions, specialties, elevator, HVAC, fire sprinkler system, plumbing, electrical, fire alarm system, CATV and data systems and a phone system. Jason P. Tramonte Architect, Inc. provided design services, Kevatron Engineering, Inc. was the Mechanical Engineer, and Jewitt Engineering, Inc. was the Electrical Engineer.

Harold Morgan was senior project manager with Dick Risner as superintendent and Noel Miranda as project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
