J.L. Wallace Completes Construction of Ave Maria Field House

FORT MYERS, FL. (Dec 15, 2010) – J.L. Wallace Inc. has completed construction of the Tom Golisano Field House on the campus of Ave Maria University in Ave Maria, FL.

The project is a 38,107 SF pre-engineered structure that includes a NCAA regulation basketball court with full facilities including a training room, weight room, men's and women's locker rooms, referee dressing rooms, ticket office, concession area, administrative offices, and conference room. Jason P. Tramonte Architect, Inc. provided design services, Wilson Miller, Inc. was Civil Engineer, Liebl & Barrow was Structural Engineer, Kevatron Engineering, Inc. was Mechanical Engineer, and Jewitt Engineering, Inc. was Electrical Engineer.

Harold Morgan was senior project manager, Dennis Tyeryar was superintendent and Noel Miranda was project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
