J.L. Wallace Completes Partial Renovation of Bentley Village

FORT MYERS, Fla. (June 9, 2010) – J.L. Wallace Inc. has completed the partial renovation of an assisted living residence at Bentley Village in Naples, FL.

The project included the conversion of the first floor common areas to add five residence rooms. Architectural services were provided by Fletcher Thompson with engineering services by Matern Professional Engineering, Inc.

Ted Gadoury served as project manager with Brian Dragich as superintendent and Brad Kaaber as project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
