J.L. Wallace Completes Construction of CVS Pharmacy

FORT MYERS, Fla. (July 23, 2010) – J.L. Wallace Inc. has completed construction of a new CVS Pharmacy at Blackburn Point and U.S. 41 in Osprey, FL.

The project, contracted with Armstrong Development Properties, consisted of construction of a 13,013 SF building with exterior features including a drive-thru area, extensive aluminum storefront work, automatic glass doors, prefabricated entry trellis, single ply roof system over lightweight concrete, building signage, compactor enclosure, monument signs, and extensive site work including site concrete, loading area, irrigation and landscaping. The interior work featured detailed cabinetry, shelving, fixtures and graphics, security grilles, overhead door, resilient flooring, carpeting, coolers/freezers, fire sprinkler and alarm system. Architectural design services were provided by Robert Reid Wedding Architects and Planners, AIA, Inc. and Foresite Group, Inc. provided engineering services.

Ted Gadoury served as project manager with Ted C. Gadoury as superintendent and Brad Kaaber as project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
