J.L. Wallace Completes Construction of CVS Pharmacy

FORT MYERS, Fla. (July 6, 2010) – J.L. Wallace Inc. has completed construction of a new CVS Pharmacy at 8831 Immokalee Road, Naples, FL.

The project consisted of the construction of a 12,900 SF building with exterior features including a drive-thru area, extensive aluminum storefront work, automatic glass doors, lattice work, prefabricated entry trellis, single ply roof system over lightweight concrete, building signage, compactor enclosure, monument signs, and extensive site work including site concrete, loading area, irrigation and landscaping. The interior work featured detailed cabinetry, shelving, fixtures and graphics, security grilles, overhead door, resilient flooring, carpeting, coolers/freezers and fire sprinkler and alarm system. Architectural design services were provided by Robert Reid Wedding Architects and Planners, AIA, Inc. and Coastal Engineering Consultants, Inc. provided engineering services.

Harold Morgan was the senior project manager with Dick Risner as project superintendent and Robbyn Spears as project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
