J.L. Wallace Completes Construction of Affordable Housing Project in Immokalee

FORT MYERS, FL. (March 28, 2011) – J.L. Wallace Inc. has completed construction of Esperanza Place Apartments, Phase I, an affordable housing development for farm workers in Immokalee, FL.

The project, built for Florida Non-Profit Services, Inc., included the construction of three two-story, multi-family buildings and all associated site work. Each building consists of CBS construction, hollow core slabs, wood truss and shingle roof, and stucco exterior. This phase of the development offers housing for 47 families. The apartments range in size from almost 800-square-feet for a one bedroom, one bath unit to approximately 1,350-square-feet for a three bedroom, two bath unit. Two bedrooms, two bath units will also be available.

David Grossman was the project manager, Dick Risner was superintendent, and Noel Miranda was the project manager assistant. Architectural design services were provided by Slocum Platts.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
