J.L. Wallace completes construction of J.P. Morgan Chase Bank in Estero

FORT MYERS, FL. (June 6, 2011) – J.L. Wallace Inc. has completed construction of a new J.P. Morgan Chase Bank located at 21331 S. Tamiami Trail in Estero, FL.

The project consisted of the demolition of a restaurant building and new construction of a 4,279 SF building plus drive-thru banking structure. Ironically, ten years ago, J.L. Wallace had design-built the restaurant which needed to be removed to facilitate this new bank. It was originally Floyd's Restaurant.

Exterior features include extensive glass work, metal panel canopy entry accents, fabric awnings, tile roof features, stone work and extensive landscaping. Interior features include detailed cabinetry, featured ceramic tile and wood floors. Architectural design services were provided by BDG Architects with engineering services by Morris-Depew Associates.

Harold Morgan served as project manager, Noel Miranda was project manager assistant and Dennis Tyeryar was superintendent.

J.L. Wallace currently has four other J.P. Morgan Chase Banks, under construction, located on Cape Coral Parkway in Cape Coral, Pine Ridge Road in Naples, Peachland Blvd in Port Charlotte and Lockwood Ridge Road in Sarasota.

Based in Fort Myers, FL., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
