**J.L. Wallace Breaks Ground at Next Level Church Gateway Campus**

FORT MYERS, FL. (July 11, 2013) – J.L. Wallace Inc. has broken ground at the Next Level Church Gateway Campus. This will be the first satellite location for Next Level Church and will be built on 7.5 acres of land at 11081 Gateway Boulevard.

This location will reflect the same style as the main campus of Next Level Church on Plantation Road, which was built by J.L. Wallace, Inc. in April 2011. The new facility will be approximately 19,500 SF and will include an auditorium, foyer, classrooms for children and youth, and offices for their staff. The project will also require total site development of 7.5 acres of land including parking lots, drive isles and landscaping. Next Level Gateway is expected to be complete in January of 2014.

Ted Gadoury is serving as the Project Manager for J.L. Wallace, Inc. with Ted C. Gadoury serving as Project Superintendent. Architectural design services will be provided by Robert L. Massengale with engineering services by David Douglas Associates, Inc.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use.
