FOR IMMEDIATE RELEASE

**J.L. Wallace has Completed Construction on
Next Level Church Offices**

FORT MYERS, FL. (November 19, 2012) – J.L. Wallace Inc. has completed construction on the Next Level Church Modular Office Complex at 12400 Plantation Road in Fort Myers, FL.

This project involved the installation of nine owner-supplied modular office buildings and associated site work, which included conversion of the existing parking lot to the new modular office site and installation of new utility connections. Exterior stucco façade, stucco skirting and ramp work were also completed on the 6,500 SF building located to the rear of the existing church building. With their offices previously located off-site, Next Level Church is happy to finally have its offices onsite with the main church facilities.

Ted Gadoury was the Project Manager [with Robbyn Spears as the Senior Project Manager Assistant](#) -and Ken Furtado as Superintendent. Engineering services were provided by David Douglas Associates, Inc.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997.
