**J.L. Wallace Begins Construction on
Seven Lakes Tee Room, Pro Shop, & Cart/Bag Storage**

FORT MYERS, FL. (March 18, 2013) – J.L. Wallace Inc. has been awarded a contract by Seven Lakes Community for the construction of a new Tee Room, Pro Shop, and Cart/Bag Storage located on Augusta Drive.

This \$1.2 million project will include construction of two dining rooms with a full commercial kitchen, bar, exterior covered porch seating area, pro shop, along with bag and cart storage amenities. Currently the existing dining room has been demolished, so the community is without dining facilities. Architectural design services are being provided by Gary D. Foreman PE, SE, AIA PA, with civil engineering services by Hole Montes.

Ted Gadoury will serve as Project Manager with Dennis Tyeryar as Superintendent and Robbyn Spears as Project Manager Assistant. Construction has begun and is scheduled for completion in mid-September of this year.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
