Renovations Complete for SunTrust Bank in Downtown Sarasota

FORT MYERS, FLA. (March 6, 2012) – J.L. Wallace Inc. has completed its project to renovate three floors of the SunTrust Bank Building in downtown Sarasota. More than 10,000 square feet of space was refurbished on the 1st, 8th, and 9th floors, including the remodeling of the bank's main conference room.

Because bank operations could not be stopped for the project, all renovation work had to be completed after regular business hours. Ted C. Gadoury served as superintendent for J.L. Wallace on the project.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build, and construction management services in southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
