**J.L. Wallace Completes Construction of Three Projects for the
City of Fort Myers**

FORT MYERS, FLA. (March 5, 2012) – J.L. Wallace Inc. announced the company has completed construction of three projects for the City of Fort Myers.

Two of the projects involved upgrades for compliance with the Americans with Disabilities Act (ADA). Improvements were made to the city's Eastwood Golf Course and to the Riverside Community Center.

The third project was completed for the City of Fort Myers Public Works Department. J.L. Wallace designed and built a pre-engineered metal building of approximately 9,000 square feet.

All three projects were completed as part of a continuing contract between J.L. Wallace and the City of Fort Myers.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build, and construction management services in southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
