J.L. Wallace Has Completed Construction of Tire Choice Store in Venice

FORT MYERS, Fla. (May 18, 2010) – J.L. Wallace Inc. has completed the construction of a Tire Choice and Total Car Care Center located at 4060 Tamiami Trail, S., Venice, FL for Amprop Holdings Jacaranda, LLC.

The project included the construction of a 5,233 SF conventional concrete-masonry structure with bar joists and membrane roof. The exterior includes stucco over masonry, concrete tile canopies, impact rated storefront, overhead doors, and stone entry columns. The interior includes approximately 1,000 SF for use as a customer service/waiting area with the remaining area reserved for service bays and tire storage.

Architectural design was provided by Design Tech International and Native Engineering, PLLC were the civil engineers.

Harold Morgan was the senior project manager, Dick Risner was the superintendent, and Brad Kaaber was the project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
