J.L. Wallace Construction Completes Renovation of VA Consolidated Patient Account Center

FORT MYERS, FL. (May 23, 2011) – J.L. Wallace Construction Inc. has completed the renovation of the VA Consolidated Patient Account Center (CPAC) in Orlando, FL.

The project included the renovation of the entire third floor of the CPAC building followed by redesigning the 48,000 SF of space to accommodate offices, work stations, conference rooms, and training areas. The project also included the addition of an elevator tower. Architectural services are provided by Atriax Group of Hickory, NC.

Ken Furtado served as superintendent and Noel Miranda as project manager assistant.

Based in Fort Myers, Fla., J.L. Wallace Construction provides general contracting, design/build and construction management services. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
