**J.L. Wallace Has Begun Construction at  
The Verandah Golf & Country Club**

FORT MYERS, FL. (August 19, 2013) – J.L. Wallace Inc. has begun the renovation and addition for Kolter Land Partners on the Fitness Center at the Verandah Golf & Country Club.

The existing interior fitness center will be renovated and J.L. Wallace will expand the facility by an additional 2,700 SF. The addition will add a large fitness & aerobics room, additional bathrooms for pool, and expanded workout room. This new and improved facility will also include a brand new 4,000 SF free-form resort style pool and pool deck. Construction is scheduled to be completed in December of this year.

Ted Gadoury is serving as Project Manager with Noel Miranda as Project Manager Assistant and Jeff Griffith as Project Superintendent. Architectural design services for the fitness center are being provided by BSSW and Engineering services are provided by Barraco & Associates.

The Verandah Golf & Country Club is located on Palm Beach Boulevard, just minutes from I-75. This riverfront community is home to award-winning golf courses, nature trails and preserves, and a deluxe clubhouse hosting a number of activities.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use.
