FOR IMMEDIATE RELEASE

J.L. Wallace Begins U.S. Customs Facility at Naples Municipal Airport

FORT MYERS, Fla. (July 28, 2010) – J.L. Wallace Inc. has started construction of the U.S. Customs General Aviation Facility at the Naples Municipal Airport in Naples, FL.

The project consists of demo of an existing building, site development, utilities, apron expansion and construction of a 4,142 square foot building, including a secured processing area. The Customs facility will include extensive security control systems. Architectural design services are being provided by Fletcher Thompson with engineering services provided by Hole Montes, Inc.

Ted Gadoury is project manager with Ted C. Gadoury as superintendent and Noel Miranda as project manager assistant. This project is scheduled to be completed in November of 2010.

Based in Fort Myers, Fla., J.L. Wallace has provided general contracting, design/build and construction management services in Southwest Florida since 1997. The company specializes in commercial projects, including structures for retail, industrial, institutional and office use. For more information, visit www.jlwallaceinc.com or call (239) 437-1111.
